Re: NEPA Technical Inquiry 0119 - EJ Documents, EO 12072 Regulations

Dear NEPA Call-In User:

This letter is in response to your July 9, 1997 request for GSA's interim regulations for implementing Executive Order (EO) 12072, "Federal Space Management." You also requested a copy of the National Environmental Justice Advisory Council (NEJAC) publication, "Model Plan for Public Participation."

SUMMARY OF FINDINGS

NEPA Call-In located and is enclosing the requested documents.

DETAILED FINDINGS

NEPA Call-In contacted the Directives and Correspondence Branch, Information Management Division, GSA. The Information Management Division referred us to the Regulatory Secretariat, GSA. We contacted the Regulatory Secretariat who provided the interim regulations for implementing EO 12072 (enclosed). The regulations titled "Assignment and Utilization of Space," can be found in the Federal Register, March 7, 1996, Volume 61, Number 46, page 9110-9112. The Regulatory Secretariat noted these regulations expired on March 7, 1997. GSA has requested an extension of the regulations, and is waiting for the Office of Management and Budget approval. NEPA Call-In also faxed these regulations to you at your request on July 14, 1997. NEPA Call-In then searched the Internet and located the document, "Model Plan for Public Participation," developed by the Public Participation and Accountability Subcommittee of the National Environmental Justice Advisory Council, November 1996 (enclosed). This document can be found on the NEJAC World Wide Web site at: <http://www.tttemi.com/nejac/publicat.htm>.

The materials in this TI have been prepared for use by GSA employees and contractors and are made available at this site only to permit the general public to learn more about NEPA.
